GROSS WEIGHT IN POUNDS					NUMBER OF AXLES																																								
			2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42	43	44
40,001	TO	42,000	$0.04																																										
42,001	TO	44,000	$0.08			The gross weight and number of axles determines the road use fee per mile																																							
44,001	TO	46,000	$0.12			The minimum road use fee is .04 cents per mile even for the blank fields above the first 4 cents shown																																							
46,001	TO	48,000	$0.16																																										
48,001	TO	50,000	$0.20			When a dollar amount is not shown at the end of a column you will need to add .07 cents to the last dollar																																							
50,001	TO	52,000	$0.24			amount in the column and keep adding .07 cents for every 2,000 lbs to determine the fee per mile																																							
52,001	TO	54,000	$0.28																																										
54,001	TO	56,000	$0.32	$0.04																																									
56,001	TO	58,000	$0.36	$0.08		loads up to 16 ft wide 16 ft high and 110 ft long start with a $71 administrative fee plus road use fees																																							
58,001	TO	60,000	$0.40	$0.12		loads over 16 ft wide 16 ft high and 110 ft long start with a $103 administrative fee plus road use fees																																							
60,001	TO	62,000	$0.44	$0.16																																									
62,001	TO	64,000	$0.48	$0.20
