

Application For Vehicle Or Vessel Dealership License

Idaho Transportation Department

Instructions

This packet contains the forms required to license a vehicle or vessel dealership in Idaho.

Applicants are cautioned to allow at least **30 days for license processing**

If the applicant's business is in the name of a Corporation, Limited Liability Company (LLC), Limited Partnership (LP), or Limited Liability Partnership (LLP), a copy of the Status from the Secretary of State's Office must be submitted. If the applicant is an individual company or corporation doing business under any other name, an assumed or fictitious name filing must be applied for and recorded with the Secretary of State's Office. Submit verification of this filing with the application. **If a spouse is NOT active in a sole proprietor dealership (individual ownership), provide a release of interest from that spouse.**

On January 1, 2004, all new applicants for a **used only** dealership license must pass an open book test. Confirmation that the test has been passed must be verified before a license can be issued. A study booklet will be mailed to you when the application process is completed. You will need to schedule a test date with the local motor vehicle investigator.

WARNING: *It is recommended that you call Dealer Services at (208) 334-8681 to make sure a Doing Business As (DBA) name is not deceptively similar to another business name before submitting the application to the Idaho Transportation Department.*

A home residence that zoning has approved may NOT be used unless the dealership is either a separate building or a ground floor with a separate entrance and no entrance to the residence.

Submit a certificate of liability insurance for insurance in the amount of not less than \$25,000 bodily injury or death for one person or \$50,000 for two people and \$15,000 for injury or destruction of property. (Effective July 01, 2006)

Submit the completed application, required attachments, and fees to:
Vehicle Services, Idaho Transportation Department, PO Box 34, Boise ID 83731-0034

Upon receipt of the required information and fees, the Dealer Licensing Unit will assign a Motor Vehicle Investigator to inspect the principal place of business for compliance with the Dealer/Salesman Licensing Act and ITD Rules. Beginning July 1, 2008, when the dealer location is in compliance, all initial applicants for an Idaho Dealership License will be given a ninety (90) day temporary license. A permanent license will be issued pending a 90-day follow up audit by a Motor Vehicle Investigator.

Failure to complete all the necessary forms and supply the required information may delay this process.
