- Considering the information you have heard this morning, does this view of Idaho’s long-term transportation needs support your vision of Idaho’s future-particularly in regard to your geographical region or the sector that you represent: Why or why not?
 - What are all of the factors, such as safety, economic growth, air quality, etc. that should be considered as we prioritize our wants and needs?
 - What will be the reaction from your region to the information presented?
 - What improvements can be made to the information gathered and the documents provided?
 - What information do you need to participate in the next meeting?
- 3:00 p.m. Break
- 3:15 p.m. Summary Session
- Facilitator summary.
 - Questions/information requests.
 - What did we learn/where are we at?
- 3:45 p.m. Next Meeting
- 4:00 p.m. Adjourn
