

U.S. 20/26 CORRIDOR STUDY

The Idaho Transportation Department (ITD) is developing a 10-year plan to identify current and future highway needs for U.S. 20/26 from Interstate 84 near Caldwell to the Oregon state line. The highway overlap on U.S. 95 from east of Parma to Anderson Corner Road is addressed in the ongoing U.S. 95 Corridor Study.

Please join ITD for one of four identical workshops to identify U.S. 20/26 needs and improvements in your area.
