ATTENTION: Please be aware that if you complete a transaction on this site and pay with a credit/debit card or e-check, the DMV's third-party on-line service provider will charge a convenience fee in addition to the regular DMV fees. (These additional fees are not initiated or collected by the Idaho Transportation Department / Division of Motor Vehicles, but are authorized by the Legislature in Chapter 2 of Title 49 of Idaho Code for on-line service providers.

DMV on-line services are provided by Access Idaho, a third party, working under a contract awarded and administered by the State of Idaho. To avoid paying the additional on-line service provider fee, you may choose to complete your DMV transaction in person at one of our county offices or by mail.
