

Commercial Vehicles Initial Installment Payment

Detail Fee Summary for IRP and/or Full Fee Installment Plans

Date	Account Number	Registrant Name
------	----------------	-----------------

Registration Type(s)	Reg. Year(s)	*Registration Effective Date	**Option Available Through Date
<input type="checkbox"/> Full Fee		January 1, _____	January 31, _____
<input type="checkbox"/> IRP – Fleet(s):			

*Full Fee installment plans are effective January 1. IRP installment plans begin with the effective date of the fleet.

**The Installment Payment option is not available after the date shown in the “Option Available Through column.”

You have the option of remitting the Idaho Registration Fees in four equal payments by meeting the following conditions:

- All previous installment plans have been satisfied
- Current account is not blocked for prior payment plan delinquencies
- Are requesting only one plan per registration year for each registration type
- Registration fee is calculated for a 12-month cycle
- Have Full Fee vehicles registered over 60,000 pounds, or have IRP fleets with vehicles over 60,000 pounds
- The initial installment payment and signed Installment Agreement form have been received in Commercial Vehicle Services on or before the “Option Available Through” date shown above
