

I-15 IDAHO FALLS BRIDGES PROJECT

MAY – AUGUST 2017

The Idaho Transportation Department will do preventative maintenance on three bridges that cross I-15 north of Idaho Falls.

The work will include replacing guardrail, repairing concrete and resurfacing the bridge decks. The project will extend the life of the bridges for many years to come.

The bridges are located at:

- 81st North (Payne Road)
- 113th North (Shattock Butte Road)
- 200 North (McCarty Road)

Traffic impacts:

- I-15 will be reduced to one lane in each direction under the bridges during the day.
- The work will require closing the Payne Road, Shattock Butte Road and McCarty Road bridges for several weeks.
- The Shattock Butte Road and Payne Road bridges will not be closed at the same time.
- All lanes of I-15 will be open at night.
- Speed limits will be reduced.

Your safety.
Your mobility.
Your economic opportunity.

CONSTRUCTION AHEAD – 2017

The Idaho Transportation Department will resurface deteriorated pavement and repair numerous bridges on Interstate 15 in eastern Idaho over the next several years. The Idaho Falls Bridges project is one of 10 projects underway in 2017.

Overall traffic impacts will include:

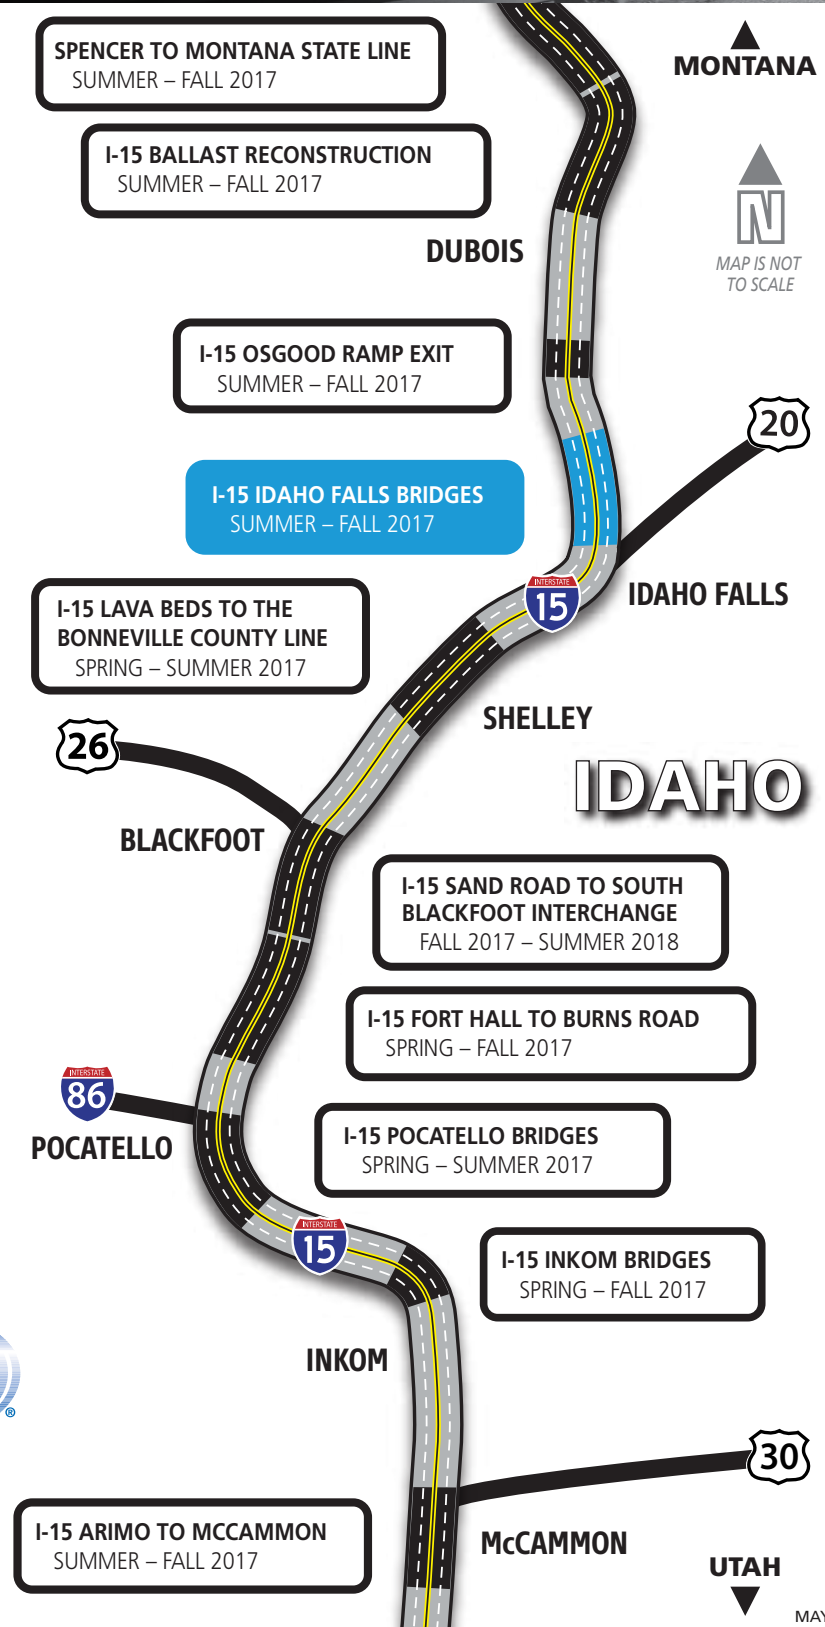

- I-15 will be reduced to one lane in each direction in project areas.
- Interchange ramps and shoulders will be closed occasionally.
- Speed limits will be reduced.

To help you drive through construction, please:

- **Plan extra time** to travel through the construction zones.
- **Pay attention** to signage and changing traffic patterns.
- **Slow down** as speed limits will be reduced.

Your safety.
Your mobility.
Your economic opportunity.
