

CONSTRUCTION UPDATE

BROADWAY

Nighttime lane restrictions will begin next week (Monday, Aug. 14) on Front Street, Myrtle Street and Broadway Avenue in Boise.

The Idaho Transportation Department will begin to repave [Broadway, Front and Myrtle](#). Work will continue until November.

WHAT TO EXPECT:

- Work will be completed at night.
- All lanes will be open during the day. Motorists may drive on a rough surface.
- Pedestrians will be detoured 24/7 while curb ramps are under construction.
- ITD will work to notify businesses when nighttime paving will temporarily block driveways (up to two hours).
- Some nights may require detours or flagging at signals.
- Construction will be noisy.

WORK INCLUDES:

- [Broadway Avenue](#) between University Drive and the New York Canal north of I-84
 - One lane will be open in both directions at night.
- Myrtle Street between the I-184 Connector and Broadway Avenue
 - Two lanes will be open at night.
- Front Street between the I-184 Connector and Broadway Avenue
 - Two lanes will be open at night.

PLEASE PLAN AHEAD AND CHOOSE ALTERNATE ROUTES.
