

Idaho 55 (Karcher Road) construction will begin this week (August 8- 13)

The Idaho Transportation Department is repaving Idaho 55 (Karcher Road) from Pride Lane to Middleton Road. The Farmway Road, Lake Avenue and Midway Road intersections will be improved and new traffic signals will be installed.

Construction will begin Tuesday, August 8 and be completed in mid-November.

What to expect:

- Crews will begin work this week at the Farmway Road and Lake Avenue intersections.
- The majority of work will take place during the day. Occasional night work will be necessary.
 - **From Pride Lane to Farmway Road:** One lane will be open on Idaho 55 during the day and flaggers will direct traffic.
 - **From Farmway Road to Middleton Road:** One lane will be open in both directions of Idaho 55 during the day.
- ITD anticipates temporary closures when work is occurring at the Farmway, Lake and Midway intersections.

ITD will keep you updated about traffic impacts throughout this project.
