In Idaho

The Department of Health and Welfare's Bureau of Vital Records and Health Statistics does not have a public counter. All requests for certified copies of certificates must be submitted online or by mail.

Consumer alert: third-party vendors

There are several third-party vendors online that charge money to help customers obtain copies of Idaho vital records. Some of these companies charge excessive and unnecessary fees for processing certificates that can only be issued by the Department of Health and Welfare's Bureau of Vital Records and Health Statistics.

For the least expensive and fastest processing, customers should **ONLY** order certified copies by mail directly from the Idaho Bureau of Vital Records or the bureau's online business partner, VitalChek Network Inc., at www.vitalchek.com
