Subcommittees shall be convened on an as-needed and ad hoc basis.

**Meetings**
The FAC shall meet at least twice each year but every effort shall be made to meet on a quarterly basis. Additional meetings shall be at the discretion of the Chair. The first meeting of the calendar year shall establish goals and a work plan for the remainder of the year. Every effort shall be made to combine one of the meetings with a field trip to a freight-related site (i.e. dry port, railroad, transload facility, etc.). In addition, each December the FAC shall present a report to the Board of the Committee’s activities during the preceding year.

The 2014 work plan is anticipated to include identifying a freight priority corridor; monitoring implementation of the freight study and performance measures; and recommending project identification, selection, and prioritization policies.

Notice of regular meetings shall be made at least ten (10) days prior to the meeting by the ITD liaison. Meeting agendas shall be prepared and distributed by the ITD liaison as determined by the Chair. Special meetings may be called by the FAC Chair and the ITD Director with notice given to FAC members by the ITD liaison.
The FAC maintains no quorum requirement. Members are expected to provide their contributions during and between meetings. FAC members in attendance shall continue to discuss, work, and make decisions on the work plan according to the meeting agenda and priorities. Members who have not participated are expected to not oppose those decisions or revisit those discussions.

**Decision-making**

FAC recommendations shall be made using consensus-building processes. Consensus means that all members of the group agree to support a group recommendation, having sought to understand all perspectives and generating a recommendation that they think is best for the whole. Members might not completely agree with an action, however, they agree to support it, both within and outside the group. Consensus is not a majority vote.

Members who do not feel comfortable supporting the consensus opinion are individually responsible to disclose their concerns during the discussion. Those concerns shall be reflected in the committee’s submitted recommendation.

**Staff Support**

The Idaho Transportation Department shall act as the lead agency and will provide administrative support.
