ALL NEW APPLICANTS ARE REQUIRED TO PRESENT PROOF OF U.S. CITIZENSHIP IN THE FORM OF A U.S. BIRTH CERTIFICATE (IF OBTAINABLE) OR LAWFUL PRESENCE, AN ACCEPTABLE PHOTO IDENTITY DOCUMENT, TWO PROOFS OF IDAHO RESIDENCY, AND PROVIDE AN SSN THAT VERIFY WITH THE SOCIAL SECURITY ADMINISTRATION.

An applicant is considered new if they have never been issued an Idaho credential, they are surrendering a credential from another jurisdiction to obtain an Idaho credential, or their Idaho credential has been expired for 25 months or more. If a certified original copy of a U.S. birth certificate is unobtainable, we may accept a passport or other government issued document that provides satisfactory evidence of a person's full legal name, date of birth, and lawful presence.

NOTE: If you currently have a valid Idaho credential, any of the documents listed in Step 1 may be acceptable for upgrading to a Star Card.

**Step 1 - Prove Your Identity (One Document)**

The following documents MUST be original, valid, and unexpired.

**Note:** If any of the referenced documents were used to support a previous license or ID issuance, and ITD retained imaged copies of these documents, you will not need to submit the document again when applying for a Star Card. (This only applies to documents that do not have an expiration date)

- US Certified Birth Certificate from Vital Statistics and additional government-issued photo ID (plastic or credit-card style birth certificates, birth records, registrations of birth, and hospital-issued certificates are not accepted)
- US Passport or US Passport Card
- Consular Report of Birth Abroad (Form FS-240, DS-1350, or FS-545) and government-issued photo ID

- Certificate of Citizenship (Form N-560, N-561, or N-645)
- Permanent Resident Card (Form I-551)
- Employment Authorization Document (EAD) (Form I-766 or I-688B)

<td>Applicants who have who have changed or established a new name through marriage, adoption, court order, or other means are required to provide all documentation linking every name change made since birth.</td>

- Accepted documents include recorded or certified marriage license(s), divorce decree(s), and court directed name change(s).

- Photocopies are not accepted. A certified marriage license proves that the marriage has been recorded by the issuing agency or office, and is dated after the ceremony date. In most cases, if your marriage license has original inked signatures and it was given to you directly after the ceremony by the officiant that married you, it is not a recorded and certified document. Contact the agency or office that issued the license for the required recorded or certified document.

- US Certified Birth Certificate (see Step 1 for criteria)
- Court order under petition for name change (stamped with court seal)
- Certified and recorded marriage certificate(s) from Vital Statistics or county
- Court order for name change in divorce decree or decree of annulment (stamped with court seal)
- Court order for name change in a decree of adoption (stamped with court seal)

### Steps 1 and 2: Lawful Identity, Age, and Name Change

**National Center for Health Statistics** – For a link to obtain an original or certified copy of a birth record for each state/territory, visit [www.CDC.gov/nchs/w2w/index.htm](http://www.CDC.gov/nchs/w2w/index.htm)

**Marriage and Divorce** – For an original or certified copy of a marriage license or divorce decree, contact the county clerk or recorder’s office in the county where the marriage license or divorce decree was issued. Cost will vary.

### Step 3 – Verify Your Social Security Number

Federal requirements stipulate that your social security number must be provided for verification. You may present a physical Social Security card, or if you know your social security number, you can provide it without the card.

The social security number you provide will need be verified by the Social Security Online Verification (SSOLV) Service. Your full legal name will need to be verified with the Social Security Administration (SSA). Check with the SSA first to change your name (if necessary) and allow 48 hours for all systems to update.

For questions about your Social Security Number, SSA 1099 or SSA 1042S forms, or Social Security Benefit Statement, call the SSA at 1-800-772-1213, visit the SSA website at [https://www.ssa.gov/](https://www.ssa.gov/) or make a trip to your local SSA office.
