The power of attorney must include a complete vehicle/vessel description and be signed by the grantor in the presence of a notary public. (Power of Attorney forms can be found at dmv.idaho.gov.)
- If more than one owner of record is shown on the current title/title record, any owner may sign if their names are connected by "OR", but all must sign if their names are connected by "AND".
- If the lienholder on the title/title record is applying, enter the business name with an authorized party's signature and job title. This application must be accompanied by a repossession affidavit or a release of interest from the owner of record.
- **The applicant's signature must be either notarized or witnessed by an assessor or deputy assessor, or the application will not be processed.**

Note Sections 1, 2, 3, and 7 are required to be filled out completely and correctly. **In all cases, failure to complete any of the required sections will result in the application being returned.**

Section 1 Enter the complete vehicle or vessel description. Both the vehicle/hull identification number and title number must be listed. Also include model year, make, model, and description.

Section 2 Enter the owner(s) shown on the current title/title record. If more than one owner is listed, check the "Or" or "And", whichever appears on the original title, and list all the owners.

Section 3 Purchaser information is entered here for all parties and must include full legal name, and either an Idaho driver's license number, Idaho ID card number, SSN or individual taxpayer identification number. Businesses and trust names must include full legal entity name and Employer Identification Number (EIN). Check the appropriate selection in the "Or, And, LSR, DBA" boxes. Multiple owners with "And" selected must all sign in this section.

Section 4 This section is to be signed by the lienholder shown on the title/title record if they wish to release their lien. A separate release attached to the duplicate application is also acceptable. If an existing lien shown on the title record has not been released, **the duplicate title will be issued with the lien and mailed to the lienholder.**

Section 5 Complete this section to add a new lien to the duplicate title. If this section is not completed, the title will be mailed to the purchaser.

Section 6 Dealers must complete this section in full when reassigning this vehicle with a duplicate application. This section cannot be completed by anyone other than a licensed dealer.

Section 7 It is presumed that your title has been lost. If it has not been lost, but is illegible or mutilated, check the appropriate box and attach the title.
