

Internet Application For An Idaho Motorcycle Endorsement

ITD 3063 (Rev. 01-15) itd.idaho.gov

~ Use this form <u>only</u> if you are an Idaho resident traveling or living temporarily out of state and do not meet the residency requirements of another jurisdiction. ~

Idaho residents who would like to add the motorcycle endorsement to their Idaho driver's license and are temporarily living out of state may be eligible to receive a motorcycle endorsement through the mail. A motorcycle endorsement cannot be granted to anyone whose driving privileges are currently withdrawn in <u>any</u> jurisdiction. Idaho residents who are living in Idaho must appear in person at their local Idaho driver's licensing office to receive a motorcycle endorsement.

Upon approval, a new driver's license with the motorcycle endorsement will be sent to you at the out-of-state address listed below. Driving privileges that have been withdrawn in any jurisdiction will be cause for denial of a motorcycle endorsement.
