

I-15 LAVA BEDS TO THE BONNEVILLE COUNTY LINE PROJECT

MAY — SUMMER 2017

The Idaho Transportation Department will resurface approximately eight miles of Interstate 15 from the Lava Beds (near the rest area) to the Bonneville County Line.

The road surface is cracked and deteriorating and needs to be replaced. The project also includes:

- Upgrading sections of guardrail
- Improving the clearance under four bridges that cross I-15 in the project area:
 - Base Line Road
 - River Road
 - 1500 N/Woodville Road
 - 700 N/Woodville Church Road
- Flattening the slopes in the median

Traffic impacts:

- I-15 will be reduced to one lane in each direction in the project area.
- Both north- and southbound interstate traffic will travel on the same side of I-15.
- The speed limit will be reduced.
- Oversized loads may be detoured. Check 511.idaho.gov for more details.
