I-84 | KARCHER TO FRANKLIN

ITD is seeking input on plans to improve Interstate 84 between the Karcher Interchange and Franklin Boulevard Interchange.

Design plans include adding lanes to I-84, **replacing the Northside Interchange** and Karcher Overpass, and rebuilding aging structures over Mason Creek and the Union Pacific Railroad. Construction could begin as early as the fall of 2018.

We'd like to hear your input.

You're invited to a community workshop on Dec. 13 at the Hampton Inn and Suites in Nampa (5750 E. Franklin Rd.). The workshop will include an opportunity to comment on I-84 improvements, learn next steps and hear about other Canyon County transportation projects. Please arrive anytime between 4 and 7:30 p.m. A formal presentation will begin at 4 p.m. and again at 6 p.m.
