

KARCHER INTERCHANGE

The Idaho Transportation Department and the city of Nampa will begin operational improvements and modifications to the ramps at the Interstate 84/Karcher Interchange in Nampa beginning the week of July 9. The project is scheduled to be complete this fall.

Construction will include:

- Eliminating exit 33B and adding lanes at exit 33A/Midland Blvd.
- Adding a second southbound lane to Midland Blvd.
- Adding a second left turn lane from the Karcher Bypass to southbound Midland Blvd.
- Upgrading sidewalks and traffic signals

Motorists should plan ahead and be prepared for shifts in traffic patterns, periodic ramp closures, and other detours during construction.

The project is being funded jointly by the city of Nampa and ITD. Central Paving is the contractor.

PROJECT UPDATES

To sign up for construction updates, please email jennifer.gonzalez@itd.idaho.gov or call 208.334.8938.
