Tips for visiting a county Sheriff’s DMV office

• Only certified original documents will be accepted. No photocopies or laminated documents will be accepted.
• Proof of identify (driver’s license or ID card)

A Commercial Driver’s License (CDL) holder or permit (CLP) holder are required to show proof of legal presence and Idaho residency pursuant to federal law. No commercial license or permit may be issued until a driver or applicant provides this information.

Four things to know:

- You may provide proof of U.S. citizenship or permanent legal residency when obtaining a license for the first time, or when completing a transfer, upgrade, renewal, or some other change to your record. This includes name, address and endorsement changes.

- You must provide one of the approved, government issued documents. (Listed to the right. Birth certificate required, if obtainable). Obtaining replacement documents may take several weeks. If you do not have one of these documents in your possession, you should start the process immediately.

- If you are in the U.S. for a limited time, refer to the back page of this brochure for more information.

- Your legal presence document must be presented to a county Sheriff’s DMV office for scanning. You do not need to bring it every time you renew.
