

AIRCRAFT REGISTRATION "STATUS CHANGE" FORM

(One form per plane must be completed for **every** plane, **every** year that you **do not** register it.)

Idaho aircraft registration is in lieu of personal property tax assessment according to Idaho Code 21-114.

Submission of this form does NOT guarantee that you will not have to pay personal property taxes on this aircraft.

SOLD - This aircraft has been sold. (A copy of the FAA form AC 8050-2 "Bill of Sale" must be provided to the Idaho Division of Aeronautics AND changes in ownership must also be made at the FAA level by the new owner before we can remove the aircraft from your account.)

***Purchaser / New Owner Information:**

Name: _____ Date of Sale: _____
 Address: _____ Email: _____
 City: _____ State: _____ Zip: _____ Phone: _____

OUT OF STATE - This aircraft is located outside of Idaho.
 (If you fly in Idaho more than 90 days a year, you are required to register)

Out-of-state for this **Registration Year** (you must notify our office each year using this form)

UNAIRWORTHY - I certify that my aircraft is **NOT** airworthy.
 (If your aircraft becomes airworthy during the registration year, you are required to register it.)

Unairworthy for this **Registration Year**: (projects, upgrades, etc. that render the plane unairworthy until completed)

Permanently unairworthy: (the plane will never fly again, but **I will be keeping my N number**)

Permanently unairworthy **and** Delisted with FAA on the Date of: _____

FOR SALE - If your aircraft(s) is being held for sale by an **Aircraft Dealer** and **ONLY** flown for sales demonstration, please provide the information below.

Dealer company name: _____ Contact: _____ State: _____
 Idaho Aircraft Dealer Number: _____ Phone No: _____

DEALER - I am an Idaho Aircraft Dealer

DEALER NAME: _____ DEALER # _____

 **New for 2019** - Idaho Aircraft Dealers must annually complete the **Idaho Aircraft Dealer Application** with an updated list of their inventory and the required information on all aircraft. This form is to be used by a Dealer **Only** when they have Sold an aircraft from their inventory during the current registration year, and to provide the Division of Aeronautics with the *New Owner information*.

Sold: N# _____ Date of Sale: _____ Previous Owner Name: _____

***Please provide the new Purchaser Information at the top of this form.**

I certify under penalty of perjury that, to the best of my knowledge, the information I have provided is correct.
