

Requirements for Two and Three-wheeled Vehicles

A guide published by the
Idaho Transportation Department

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<p>Motorcycle (Either internal combustion or electric motor - meets FMVSS¹. Includes dual-sport.)</p> 	Yes	Regular highway registration/plates; or restricted vehicle registration/plates; or Off-highway Vehicle (OHV) registration sticker only.
Vehicle Type	Title Required?*	Registration/Plates*
<p>Motor-driven Cycle (Either internal combustion motor, ≤ 5 hp or electric motor $\leq 3,729$ watts and meets FMVSS¹ Includes dual-sport.)</p> 	Yes	Regular highway registration/plates; or restricted vehicle registration/plates; or Off-highway Vehicle (OHV) registration sticker only.

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<p>Motor Scooter (Fits within motorcycle or motor-driven cycle definition but has a step-through design with platform for rider's feet. Either internal combustion or electric motor - meets FMVSS¹. Includes dual-sport.)</p> 	Yes	Regular highway registration/plates; or restricted vehicle registration/plates; or Off-highway Vehicle (OHV) registration sticker only.
Vehicle Type	Title Required?*	Registration/Plates*
<p>Motorbike > 50 cc's (Designed for or capable of traveling off developed highways; doesn't meet FMVSS¹.)</p> 	Yes	<p>Restricted vehicle registration/plates, or OHV registration sticker without plates.</p> <p>Ineligible for regular highway registration/plates², because it does not meet FMVSS.¹</p>

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<p>Motorbike \leq 50 cc's (Designed for or capable of traveling off developed highways; doesn't meet FMVSS¹.)</p> 	No	<p>OHV registration sticker alone.</p> <p>Ineligible for regular highway or restricted vehicle registration/plates.</p>
Vehicle Type	Title Required?*	Registration/Plates*
<p>Moped Wheels less than 20" in diameter, motorized propulsion, max speed 30 mph, and either 50 cc's or less, or e-motor. Includes e-bike with no pedals, \leq2 hp (1500 watts), max speed 30 mph, and meets FMVSS for motor-driven cycles.</p>  	No	<p>OHV registration sticker if it can be propelled without pedaling and if used off-highway wherever allowed.</p> <p>Ineligible for regular highway or restricted vehicle registration/plates.</p>

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<p>Autocycle (3 wheels, steering wheel and non-straddle seat; meets FMVSS¹ for motorcycles.)</p> 	Yes	Regular highway registration/ motorcycle plates; OHV registration sticker if used off-highway.
<p>Class 3 E-bike (Motor provides assistance only while pedaling – up to 28 mph. Currently meets moped definition.)⁵</p> 	No	<p>Ineligible for regular highway or restricted vehicle registration/plates.</p> <p>No OHV registration sticker required for off-highway.</p>

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
Class 2 E-bike (Motor may propel w/o pedaling – up to 20 mph. Currently meets moped definition.) ⁵ 	No	No OHV registration sticker required for off-highway. Ineligible for regular highway or restricted vehicle registration/plates.
Class 1 E-bike (Motor provides assistance only while pedaling – up to 20 mph. Currently meets moped definition.) ⁵ 	No	No OHV registration sticker required for off-highway. Ineligible for regular highway or restricted vehicle registration/plates.

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<p>Other E-motorbikes – not FMVSS¹ certified, and not a moped or a class 1, 2 or 3 e-bike. Maximum speed over 30 mph; and/or (2) wheels 20" or bigger; and/or (3) does not have 2 tandem wheels; and/or (4) otherwise meets a class 1, 2, or 3 e-bike definition but either has motor with 750 watts or more or exceeds maximum speed capability for the class.</p> 	Yes	<p>Restricted vehicle plates or OHV registration without plates.²</p> <p>Ineligible for regular highway registration/plates.</p>

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
All-Terrain Vehicles (ATVs) with 3 wheels. All-terrain Vehicles (ATVs) with 3 wheels >50 cc's. Must have ALL of the following: 1) Three or more tires AND 2) Width - 55 inches or less AND 3) Wheelbase – 61 inches or less AND 4) Straddle seat AND 5) Handlebars 	Yes	Restricted vehicle registration/plates, or OHV registration without plates. Ineligible for regular highway registration/plates, because it does not meet FMVSS.
All-Terrain Vehicles (ATVs) with 3 wheels. All-terrain Vehicles (ATVs) with 3 wheels ≤ 50 cc's. Must have ALL of the following: 1) Three or more tires AND 2) Width - 55 inches or less AND 3) Wheelbase – 61 inches or less AND 4) Straddle seat AND 5) Handlebars 	No	OHV registration sticker alone. Ineligible for regular highway or restricted vehicle registration.

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
<u>Bicycle – Not motorized</u> 	No	No
Electric Personal Assistive Mobility Device (Segway) 	No	No

Requirements for Two and Three-wheeled Vehicles

Vehicle Type	Title Required?*	Registration/Plates*
Motorized Scooters and other Motorized Toys    	No	No
