## ITD Online Driver Record Dashboard

*For Monitoring Idaho CDL and Non-CDL Driver Records*

Service: [www.accessidaho.org/itd/monitoring](http://www.accessidaho.org/itd/monitoring)

Demo: [www.idaho.gov/demo/driver\\_dash](http://www.idaho.gov/demo/driver_dash)

### Overview

- Organizations build an unlimited list of Idaho driver's licenses to monitor changes.
- Records are checked automatically twice a month for new convictions and suspensions associated with the drivers monitored.
- Information is accessible via individual usernames and passwords by authorized personnel within each participating organization.

### Advantages to Employers

- Provides immediate access to driver status changes.
- Medical certification issue/expiration dates (updated nightly) and driver's license expiration dates are viewable.
- Easier federal requirements compliance.

### What's Needed

- Access Idaho subscription
- Idaho driver's license number(s)

### Charge Structure

- \$10.00 per month for service access
- \$0.14 twice a month for each license monitored
- \$9.00 for an automatic driver's license record "pull" following a conviction or suspension
- \$95.00 per year for Access Idaho subscription (no extra charge to current subscribers)
