

1-15 Blackfoot Bridge Repair Project

When the bridge is under construction on the north bound side and south bound side of I-15. Drivers traveling from US-26 or ID-39 that are planning on driving South to Pocatello will need to use the I-15 Business Loop to US-91. Travelers will go through the City of Blackfoot on W. Judicial St. to US-91, then turn right on US-91 which is S Broadway Street. Continue driving for 2 miles to exit 89 where travelers can get on I-15 heading south to Pocatello.

When the bridge is under construction on the north bound side of I-15. Travelers heading north bound I-15 from Pocatello to Blackfoot needing to exit at Blackfoot will need to use exit 89 to US-91 taking a left onto US-91 once into Blackfoot travelers heading to US-26 or ID-39 will turn on W. Bridge Street which is the I-15 Business Loop.

Traffic pattern when work is being done N Bound side of I-15

While bridge repairs are under construction on north bound I-15 the traffic flow will be as such: North bound I-15 traffic will be shifted over onto south bound I-15 where traffic will flow as single lane two way traffic. The I-15 north bound **OFF** ramp will be closed. The south bound **ON** Ramp, Exit 93, will also be closed. Also, Exit 89 north bound **ON** ramp will be closed. North bound **ON** ramp Exit 93 will be open.

North bound traffic in route to Idaho Falls are advised to drive on US-91 and take Exit 108 to continue onto I-15 North. South bound traffic in route to Pocatello shall drive to US-91 and take Exit 89 to continue onto I-15 South.

Traffic pattern when work is being done S Bound side of I-15

When work is continued on I-15 south bound traffic flow will be as such: During construction, South bound I-15 traffic will be shifted over onto north bound I-15 where traffic will flow as single lane two way traffic. The I-15 south bound **ON** ramp, Exit 93, will be closed. South bound off ramp Exit 93 will be open. The north bound **ON and OFF ramp will be open**. Travelers driving south from Blackfoot to Pocatello shall take US-91 to Exit 89 to continue on I-15 south bound.

Oversized loads will need to use the appropriate alternative routes as there will be 12 foot lane restriction through the construction zone. If you have any questions feel free to reach out to ITD Blackfoot maintenance shed or visit 511.idaho.gov for current road conditions & information.
