

HIGHWAY SAFETY FUNDS

Federal-Aid

The Idaho Transportation Department Director is authorized to apportion and monitor Federal-aid funds allocated to the State for highway projects in the following categories:

- Bridge Replacement and Rehabilitation
- Highway Safety Improvement Program
- Rail-Highway Crossing Program

Project selection shall be data driven. Appropriate criteria for prioritizing projects in each category, as specified in Administrative Policy A-19-07, shall be used as guides in selecting projects to be funded.

State Funded

In addition, the Department Director is authorized to approve projects for expenditure of State Railroad Grade Crossing Protection Funds. Grants not to exceed a total of \$25,000.00 may be awarded to rail-highway safety education organizations. A priority listing shall be developed and shall be used as a guide in selecting projects to be funded.

A status report shall be submitted to the Board in July of each year.
