Subject: Temporary Registration for Dealer Sales

Dear Licensed Idaho Dealer:

The Idaho Transportation has considered the current events, and will extend the 30-day temporary registration on sales to Idaho residents through **January 31, 2021**. This will ease pressure on customers trying to access their local DMV offices. At the end of January ITD will reassess the situation and decide if another extension is necessary.

For out of state sales, Idaho Code 49-523 (2) grants Dealers the privilege of issuing temporary registration permits to out of state customers. Booklets of these permits can be purchased from the department by submitting ITD Form 3763 with payment to the Dealer operations unit at the address above. Please do not direct out of state customers to a county DMV office to acquire temporary registration.

Thank you for your assistance on this matter.

Sincerely

Dealer Operations
