Subject: Price Increases for Dealer Plates

Dear Licensed Idaho Dealer:

The Idaho Transportation Department's mailing cost have increased. In an effort to cover these costs, the prices of dealer, loaner, and laden pates will be increasing. These cost increases are to cover manufacturing and shipping the new plates ordered by Idaho Vehicle Dealers. Increases will only apply to new and replacement plate orders. There will be no cost increase for plate renewals. This change is effective October 1, 2020 and will be reflected on the October dealership renewals. If you have any questions please contact the dealer team.

Plate Types	New Cost
Dealer Plates	\$24.15
Loaner Plate	\$82.40
Laden Plate	\$181.80

Thank you for your assistance on this matter.

Sincerely
