For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

DBE PARTICIPATION REQUIREMENTS

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 10% utilization, ITD requires responder to utilize certified subconsultants and suppliers listed on its DBE Directory located at: <https://itd.dbesystem.com/>. For this project, the Consultant must propose a minimum of 3% DBE utilization or demonstrate "Good Faith Effort" toward achieving that goal.

Use Consultant DBE Commitment form (ITD-2398) to show all DBE firms, their specific work task or services, and their utilization percentage. The ITD-2398 is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements>.

If the proposal does not show a minimum DBE utilization of 3% or it is determined that it does not show a good faith effort toward achieving that goal, the proposal will be considered non-responsive and will not be accepted.

If the proposal is ranked number one, and the firm is awarded the project, the DBE commitment for the contract will be the total DBE percentage identified by the Consultant on the ITD-2398.

For more information regarding ITD's DBE Program, please contact ITD Office of Civil Rights at civilrights@itd.idaho.gov or call the ITD DBE Coordinator at (208) 334-8567.

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.
