

EXCELLENCE IN CONSTRUCTION PARTNERING

Fourth Annual Awards

2023 Nomination Packet

Award Overview

Overview & Eligibility

As part of our fourth annual Excellence in Construction Partnering Awards, the Idaho Transportation Department (ITD) and the Associated General Contractors (AGC) of Idaho value project partnering to help complete transportation projects across Idaho in a timely, professional, and responsive manner.

Do you have a project in mind that stands out from the rest? If so we are asking you to nominate that project and team for the 2023 ITD/AGC Excellence in Construction Partnering Awards.

Both construction contracts underway today and those built within the last 18 months are eligible, including statewide highway and local road projects (multi-year projects can apply yearly).

Together we want to recognize team solutions, share lessons learned, and highlight best practices for infrastructure projects of all types and sizes per the criteria below.

What occurs with good construction partnering?

Good construction partnering is defined as...

- Efficient resolution of issues and project closeout
- Enhanced Work Zone Safety by the project team and public awareness
- Higher levels of trust and personal satisfaction
- Increased collaboration between all stakeholders
- Delivering a quality project as a team

What is the criteria for nominations?

A project team of ITD and contractor employees that stand out for their ability to...

- Resolve complex issues
- Improve communication on the project with all audiences
- Utilize innovative solutions
- Incorporate team building activities • Honor stakeholders
- Achieve a common goal

Partnering - It's Just Good Business

Application Package Requirements

A valid application package must include:

1. A single, complete nomination form (page 4) reviewed and signed by both the Contractor and the District Engineer (electronic signatures will be accepted).
2. Three to five project photos displaying different views of the project.

Optional: This year we are also accepting 3-5 minute video submissions. If you would like to submit a video, please address all nomination form questions in your video and submit along with photos. Videos and large photos can be uploaded to this shared [OneDrive Folder](#).

Please submit your signed nomination form and project photos via email to ITDCommunication@itd.idaho.gov no later than 7:00 PM MDT on October 13, 2023.

In the subject line, please include contract number and project name.

Judging Evaluation Criteria

Projects will be judged using the following evaluation criteria:

Safety

- Enhanced Work Zone Safety by the project team and public awareness
- Employed effective protection of the public's safety
- Effectively used the various safety tools and devices available
- Effectively measured and responded to accidents occurring on the project, both internally and externally

Customer-Focused Results

- Effectively mitigated impacts to the traveling public, general public, adjacent businesses, and residents
- Effectively communicated the project and its impacts with stakeholders and customers
- Established effective means for community recognition of the project, the difficulties the project faced, the team's efforts, and successes in overcoming challenges

Innovative Problem Solving

- Extraordinary obstacles overcome during the project
- Extraordinary coordination and/or cooperation with other adjacent work
- Disputes that were resolved timely to the benefit of all parties and customers
- A team that focused on outcomes rather than processes and utilized an effective disputes resolution process

Overcoming Extraordinary Challenges

- Emergency contracting
- Complex, unique, or unexpected features that were encountered
- Use of unique construction methods
- The team's ability to overcome adversity
- A uniqueness of the project itself or some aspect of implementing or delivering the project

Effective Contract Administration

- Effectively administered change orders
- Materials documentation tracked, up-to-date, and completed
- Compliance with all labor requirements (Wages, DBE, MSVWBE, Apprentice)
- Open and frank contractor/PE communication/evaluation
- Effectively provided assistance to each other in support of these goals

Timely Completion of Project

- All aspects of the work completed in a timely manner
- Timely use of project schedule
- Environmental issues effectively addressed
- The progress of work was enhanced in some manner
- Innovative management of traffic in an effort to reduce impacts and expedite project completion

Judging Process

Applications will be reviewed by a panel of judges consisting of ITD/AGC personnel and local partners. The panel will review applications by October 24, 2023. Nominations have the potential of earning gold, silver, bronze or honorable mention Partnering Recognition Awards.

Winners will be announced the last week of October.
