

Demolition Work Begins May 2024

The Idaho Transportation Department is beginning demolition work for the SH-55, Farmway Road to Middleton Road project. Crews will demolish structures, fences, trees and other objects on 19 properties purchased by ITD over the last year.

No daytime traffic impacts are anticipated

Demolition work is scheduled to start May 2024 and take approximately three months to complete. **The widening of SH-55 between Farmway and Middleton roads is expected to begin Fall 2024.**
