

I-84 Improvements South Jerome to Twin Falls

The Idaho Transportation Department is continuing work to widen I-84 to three lanes in each direction between the South Jerome Interchange and the Twin Falls Interchange (exits 168 & 173). Work is expected to be complete in 2026.

WHAT TO EXPECT IN 2025:

- > I-84 traffic patterns will change.
- > The speed limit on I-84 is reduced. Variable speed limits will remain in place.
- > 400 South Road will close intermittently.
- > I-84 may be restricted to one lane in each direction at night. Occasional daytime lane restrictions may be necessary.

PROCESS & SCHEDULE

- 2023** Begin building the new lanes in the median, the median wall and the 400 South Road bridges.
- 2024** Complete the new lanes in the median and the median wall. Begin constructing the outside lanes of I-84 and continue work on the 400 South Road bridges.
- 2025** Complete work on the outside lanes of I-84. Continue work on the 400 South Road bridges.
- 2026** Complete work on the 400 South Road bridges and under the Lincoln Avenue bridges at the South Jerome Interchange.

I-84, SOUTH JEROME INTERCHANGE

ITD is replacing the I-84 South Jerome Interchange. Use the contact information below to stay informed about both projects.
