

RAMP CLOSURE

at the Twin Falls Interchange (Exit 173)

Crews have closed the loop westbound on-ramp at the Twin Falls Interchange. This closure will improve safety as crews work to replace aging asphalt on I-84 with new concrete. Construction on this project is expected to be completed in late 2026.

WHAT TO EXPECT

- > The closure is expected to last through spring 2026.
- > To enter westbound I-84 during the closure, northbound motorists on US-93 will turn left onto the existing westbound on-ramp.
- > Lane closures will continue on I-84.
