

I-84

KARCHER INTERCHANGE

CORRIDOR

ITD has started construction on the I-84, Karcher Interchange in Nampa. These improvements will improve safety and improve traffic flow. Work is expected to finish in Spring 2026.

WHAT TO EXPECT:

- All lanes will be open during the daytime
- Major work will take place at night from 10 p.m. to 5 a.m. with one lane open in each direction on Karcher Road
- Overnight closures on I-84 for traffic shifts, bridge work and girder placement
- Bike lanes and sidewalks in the project area will be detoured
- Access to businesses will remain open
- Speed limits will be reduced at night
