

STANDARD SPECIFICATIONS FOR CONSTRUCTION PROJECTS

Purpose

This policy designates the authority and responsibility for developing, adopting and maintaining standard specifications for construction projects.

Legal Authority

Idaho Code 40-310(5)and(6) - State highway standards regarding location, design, construction, reconstruction, alteration, repair, extension and maintenance.

Idaho Code 40-312(1) - The authority for the Board to prescribe rules and regulations affecting state highways and turnpikes.

The Department Director designates the Chief Engineer to develop, adopt, and maintain standard specifications for construction projects.
