

Fruitland to Payette

Motorists should expect delays during construction. Please check 511, plan ahead and allow for extra time.

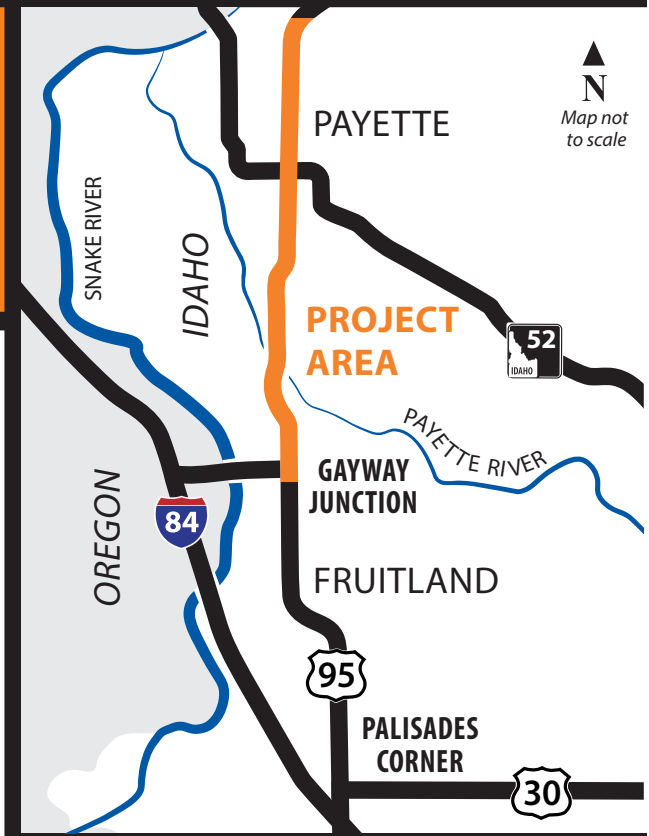

The Idaho Transportation Department is rehabilitating 5.3 miles of US-95 in Fruitland and Payette this summer. Work will start just south of Gayway Junction and end north of Payette. Crews will start by replacing several irrigation and utility crossings, with paving operations following. Work is expected to finish in fall 2026.

PROJECT SCHEDULE

Early spring 2026	Replace utilities
Late spring/ early summer 2026	Begin paving operations
Fall 2026	Finish construction

EXPECTED TRAFFIC IMPACTS

- Lane closures on US-95 depending on activity and location
 - Single lane closures
 - Reduced to one lane with flaggers when necessary
- Daytime and nighttime work
- Traffic delays, consider using an alternate route
