

SH-44 WIDENING

SH-16 TO STAR ROAD

The Idaho Transportation Department
is widening State Highway 44 between
State Highway 16 and Star Road.

IMPROVEMENTS INCLUDE:

- Widening to two lanes in each direction with a center turn lane.
- Replacing the existing roadway surface.
- Connecting pedestrian pathways on the south side of SH-44.

PROJECT SCHEDULE:

Fall 2026 Paving and utility work begins*

Spring 2027 Widening and paving operations

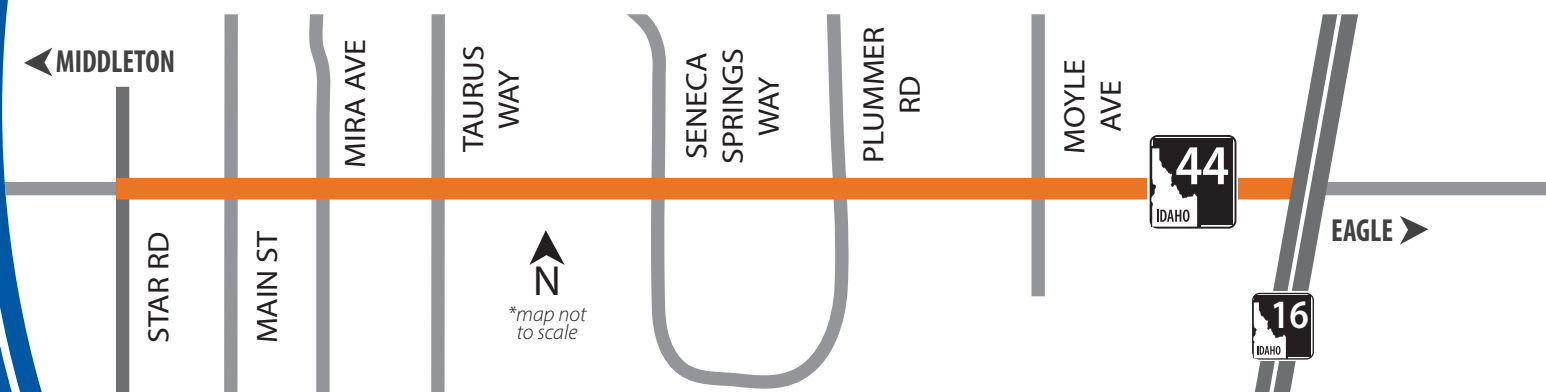

Fall/Winter 2027 Construction complete

**Work is weather dependent for this fall.*

WHAT TO EXPECT DURING CONSTRUCTION:

- Shifting traffic patterns
- Lane closures on SH-44 with flaggers
- Access to businesses will remain open
- Most work will occur during the day
- Some nighttime work is expected
- Nighttime noise with equipment and backup alarms
